Price of Lights In Orlando

BESIDES getting ice for about one-
third the price DeLandites are
forced to pay, the people of Orlando
are furnished electric lights at a very
reasonable price. For instance: The
rate for private houses is:

First lamp.....40 cents per month
Second ".....30 " " "
Third ".....20 " " "
Fourth ".....10 " " "
Fifth ".....5 " " "

(Current supplied from dark to daylight.)
The price for commercial lighting—
to use lights not later than midnight,
six days in the week, and no lights on
Sundays:

First lamp.....75 cents per month
Second ".....50 " " "
Third ".....30 " " "
Fourth ".....15 " " "
Fifth ".....7 " " "

For meter service the price is:
12 cents per 1000 watts; minimum
rate \$1.50 per month.

In DeLand the minimum meter rate
is \$3.50 per month.

The merchants in DeLand pay about
\$1 each per month for every light used
in their places of business.

In Orlando the ice and electric
lights are furnished for profit; in De-

FRED S. GOODRICH,
The Man Who Ran Politics in DeLand
in the Early 80's.

Land they are furnished "for philan-
thropic purposes only." Perhaps this
is the reason why DeLandites are
compelled to pay two or three prices
for these commodities.

REV. TAYLOR TO LECTURE.

Who Make Laws."

All are invited to each and every
lecture.

OSTEEN.

Special Correspondence.

Osteen, April 20.—Mrs. F. E. Cun-
ningham, or more familiarly called,
"Aunt Fanny," passed away at half
past ten Sunday morning, the 18th.
She had been unconscious about two
days and slept on soundly till the
breath ceased. She had been con-
fined to her bed almost three weeks
and was so confident it was her death-
bed, said repeatedly she longed to go
and was ready to die. The funeral
services were conducted at the Metho-
dist church at ten Monday morning
by Rev. Spaulders.

Mrs. Ben Carpenter was called to
the bedside of her brother, who is at
Sanford last week. He had an acci-
dent which was expected to prove
fatal. He fell backwards from a wa-
gon, which injured his spine.

Miss Addie Pattillo will accompa-
ny her father on his return to Shiloh
Thursday for about a two weeks' stay.

FROM TALLAHASSEE.

Short Letter About the Florida Legislature.

Tallahassee, April 22.—The legisla-
ture is now getting down to work in
earnest. The members have about
digested the governor's fine message
and the reports of the various state
officers, and are prepared to act in-
telligently on all matters coming be-
fore them.

Senator Sams has been appointed
on the following committees: Fish-
eries, judiciary, game, roads and high-
ways, forestry, commerce and navi-
gation, drainage and reclamation of
lands.

Representative Gibbons has intro-
duced a bill providing for a county
court for Duval county.

Representative St. Clair-Abram-
has introduced a bill providing for re-
districting the state into eight judi-
cial circuits. By this bill Volusia will
remain in the Seventh District, with
Brevard, Orange, Dade, Lee, Osceola
and Monroe; total population of dis-
trict, 56,015.

The Hillsborough good roads bill
was the first to pass the house, the
vote being 56 to 9. The bill was also
passed by the Senate on Tuesday, and
now goes to the governor.

A bill has been introduced in the
House providing for free books for
the public schools at county expense.
Senator Brown has introduced a
bill providing for penal farms, on
which to keep the state convicts after
the expiration of the present lease.
The bill provides for four farms in as
many counties.

Tampa, Jacksonville and Pensacola
furnish the greatest number of mem-
bers of the "Third House."

The entire body of the legislature—
first and second houses only—the gov-
ernor and his official family, visited
Pensacola on Sunday to see the United
States warships stationed there. They
were all treated royally by the
people of Pensacola and Escambia
county.

A joint resolution has passed the
Senate requesting Congress to call a
constitutional convention to propose
an amendment to the constitution
making United States senators elec-
tive by direct vote. Two bills have
been introduced providing for the
erection of a governor's mansion. One
provides for an expenditure of \$35,000
and the other \$25,000.

Game Preservation.

From the Emerald Lake Region.

The Volusia County Fish and Game
Protective Association has recently
been formed in that county. Volusia
county is practically surrounded with
water, and its waters have long been
famed for fish and its woods for feath-
ered game. But the abundance of
the game has caused many abuses as
to the manner of procuring it, and if
these abuses should be allowed to con-
tinue, a very few years would suffice
to strip the waters and woods of their
attractions for the sportsman. The
object of this association is to see that
the strong hand of the law is laid on all
offenders of the game laws of the
state in that county.

City Officers

Nominated

RESULT of the citizens' caucus
held at the court house last Fri-
day night:

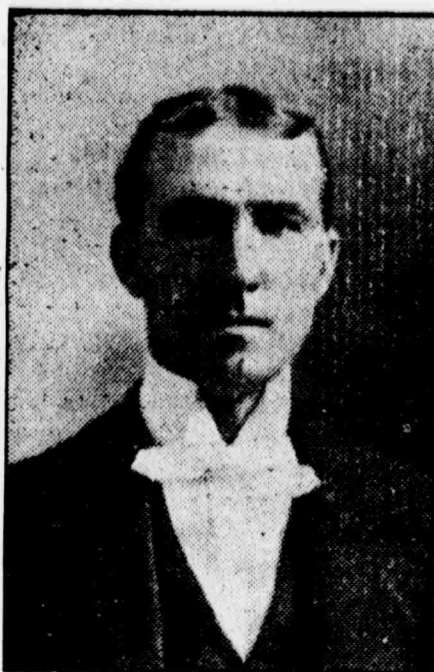

For Mayor—S. A. Wood.
For Clerk—E. D. McLeod.
For Treasurer—Grant Bly.
For Councilmen—A. H. Woodall, R.
C. Bushnell, O. F. Fish.
For Member Board Public Works—
G. A. Dreka.

This was one of the most represen-
tative caucuses ever held in DeLand,
and it was a love-feast from beginning
to end, outwardly.

The meeting was called to order by
R. D. McDonald, chairman of the City
Executive Committee, with Ward
Gould acting secretary.

On motion of J. W. Perkins the
temporary organization was made
permanent.

Mayor Fish nominated S. A. Wood
as his successor in office, and the
nomination was made by acclamation.
J. H. Hibbard nominated A. H.
Woodall, R. C. Bushnell and O. F.

SIDNEY A. WOOD,

Candidate for Mayor of DeLand.

Fish for councilmen. There were no
other nominations, and they were ac-
cepted by acclamation.

J. W. Perkins nominated E. D. Mc-
Leod for city clerk, and he was elected
by acclamation.

Bert Fish nominated Grant Bly for
treasurer, and he was selected by ac-
clamation.

J. H. Hibbard nominated G. A.
Dreka as member of the board of pub-
lic works, and he was accepted by ac-
clamation.

On motion, the chair appointed
three gentlemen to select an Execu-
tive Committee for the ensuing year,
naming as such committee J. T.
Cairns, S. B. Wilson and F. E. Bond.

The committee retired, and in a few
minutes reported the following com-
mittee, which was accepted without a
dissenting voice: J. W. Perkins, chair-
man; G. W. Fisher, secretary; J. T.
Cairns, R. D. McDonald, S. B. Wilson,
Ward Gould, F. E. Bond, H. J. Wilms-
hurst, O. F. Fish.

The meeting then adjourned.

The action of this caucus proved
beyond the shadow of a doubt that
the people of DeLand are not
half so crazy as the Record would
have us believe. Over a hundred
men—lawyers, doctors, merchants,
editors, and other common people
—all united in a harmonious, pleasant
caucus and nominated a good, clean
lot of men for their city officers for
the ensuing year.

Age No Bar.

From the Jacksonville Metropolis, April 21.

"One of our readers has an ambition
to become a lawyer, but hesitates on
account of age, being 45 years old.
My advice to such person is to go on
and carry out his worthy desire. I am
right close around that age myself,
and am studying law with the great-
est relish. Tell your reader to come
to Stetson Law School next year and
start in. There are no better or more
inspiring law teachers anywhere than
right here—a fine debating society,
large library, a practice court, and
such a course as will enable an earn-
est student to run an office for him-
self when through and not simply "be-
come useful in some law office, if not
my own," as the inquirer suggests.

EMORY COLLEGE

1836— OXFORD, GEORGIA. —1903

OXFORD is situated on a high ridge in the healthiest section
of Middle Georgia, where there are no local causes to
breed sickness. The College will continue to make every
effort now, as in the past, to send forth young men well furnished
in physical strength, in mental training, and in zealous Christian
character.

Courses leading to the three degrees—A.B., Ph.B., and S.B.
—are designed to lay broad foundations for any walk in life.
After the Sophomore year, opportunity is given for election of
studies in the direction of the student's special aptitudes.

The Central Dining Hall will offer good food at actual cost, not to exceed
eight dollars per month. Furnished rooms are let at one dollar per month for each
lodger. This system is under the immediate supervision of a member of the Fac-
ulty, who is assisted by a competent and experienced matron.

All necessary expenses for the college year may be brought
within \$175.00.
